

NATIONAL REGISTER NOMINATIONS

Preservation Alliance will be working with the Heritage Council in 1984 to nominate eligible historic property within the city limits to the National Register. Staff member Bob Polsgrove suggested several districts and around 20 individual structures that should be nominated. He recommended that we apply to the Heritage Council for a grant to hire a preservationist to do our nomination. The board of directors will recommend to the membership Thursday night that \$500 be budgeted for this project.
