

Date: May 15, 2004
Subject: Report on Annual Meeting – May 14, 2004, Noon – Gallery 412
By: Gary Adams, Secretary

Preservation Alliance of Owensboro-Daviess County held its annual meeting at Gallery 412 on May 14, 2004. Eighteen (18) members were in attendance, along with two (2) hosts from Gallery 412.

Heavenly Ham box lunches were served with a variety of soft drinks.

President Neal Tong greeted those in attendance. Tong gave a short update of PA activities: how the board has changed the name of the "Endangered Buildings" list to "Status Watch" to avoid putting what of late has appeared to be a "demolition target" on buildings of interest; invited members to join the Trip Planning Committee and/or to suggest possible destinations.

Then Tong recognized Secretary Gary Adams who conducted the board nominations and election business. The following board member and officers were elected for 2004 by acclamation of the membership present:

Neal Tong, President
Sue Haycraft, Vice-President
Joyce Edwards, Treasurer
Gary Adams, Secretary
Lisa Epling
Ted Lolley
Lucy Gip Neal
Frank Wagner
Mike Wells

Hosts Mattie Jones and Paula Plummer, two artist-partners in Gallery 412, gave some history of the Mischel Monuments building, and then described the renovation process and the idea behind the artist cooperative represented by Gallery 412.

The membership then toured the building and viewed the art on display and the artists' studio areas. Several luncheon committee members stayed to assist in cleanup. PA provided six complimentary box lunches to the staff of Gallery 412. The event concluded at 1:30 PM.

Several photos of the meeting are shown on the next page.
